

The Monkey System or "Every one for himself at the expense of his neighbor!!!!"

Philadelphia Published by E.W. Clay 1831.

The Monkey System or Every One For Himself Henry Clay says "Walk in and see the new improved grand original American System!" The cages are labeled: "Home, Consumption, Internal, Improv". This 1831 cartoon ridiculing Clay's American System depicts monkeys, labeled as being different parts of a nation's economy, stealing each other's resources (food) with commentators describing it as either great or a humbug.
